

Our workshops involve in-depth teaching and practice designed to both enrich your spiritual growth and enhance your quest to become more of the person you were created to be. This journey will enable you to experience greater authenticity, wholeness and Christ-likeness in all areas of your life.

This workshop will be taught by **Dr Peter Holmes** and **Dr Susan Williams**, sharing from their own personal experience and from many others they have taught and supported. It will include practical steps for you to follow during and after the workshop to help you become more of who you were created to be.

Peter and Susan are experienced speakers, pastoral counsellors and authors from UK, where the Rapha Journey originated. The Rapha Journey is a step-by-step Biblical process of growing into greater wholeness and (when you are ready) a deeper relationship with God.

COURAGE TO BE: FRIENDSHIP WITH GOD, OURSELVES, AND OTHERS

**A WOMEN'S WEEKEND AWAY WORKSHOP
APRIL 13-15, 2018
WEST YELLOWSTONE, MONTANA**

What is the workshop about?

God intended that being ourselves should come naturally to us, and result in an overflow of blessing to us and others in the midst of friendship with Him. It's an inspiring idea, but the reality of our lives is often very different.

Many of us find the pressure of daily life or the burdens of our history leave us with a diluted sense of who we are. Some of us become people pleasers, where we defer to what others think. Perhaps we feel overwhelmed with the pressure to 'do' and there seems no time left to 'be'. Maybe we can't see the value in being ourselves, or fear becoming arrogant.

During this workshop we will explore what a healthy way of being might look like from God's perspective. We will consider how to grow in the awareness that 'I am fearfully and wonderfully made' (Ps 139) and what happens when we allow that peace to fill our relationships, including our relationship with God. Father, Son and Holy Spirit are in continual being with each other—what does it look like for them to make their home in us (Jn 14:23)?

Pastor Susan Williams will lead our weekend (with a guest appearance from Pastor Peter Holmes) along with our Rapha Women's Leadership Team from Journey Church. The weekend will include good food and plenty of snacks, time to enjoy the local scenery near Yellowstone National Park, a Q&A 'clinic' for personal questions, and a time to meet the Lord together with communion and prayer for healing.

By the end of the workshop you will have had the opportunity to:

- ✦ grow on a journey of greater ease in 'being' yourself
- ✦ explore the significance of Christ's invitation to friendship (Jn 15:15)
- ✦ discover tools for faithfully becoming more of who you were created to be
- ✦ map the hindrances to this journey and plan how to undo them
- ✦ increase your capacity to 'be', even in the midst of your daily activities
- ✦ hear numerous testimonies of healing and/or growth in relationship with the Lord
- ✦ grow friendships
