

Rapha Journey

TOOLS THAT WORK: DISCOVERING A JOURNEY INTO LASTING HEALING AND WHOLENESS MARCH 1-2, 2019

What is the workshop about?

Scripture is full of examples of healing and redemption. And the church has many stories of remarkably changed lives. But what about us and those around us? Is there really a journey we can follow ourselves, and offer to others, that makes such experiences real in our day-to-day life?

We are all hungry for authentic responses in times of crisis and need. We are looking for the reality of a God who loves, who can make a difference, who can be deeply worshipped.

In this workshop, Pastors Peter Holmes and Susan Williams will set out a Biblical and therapeutic framework for a life-changing discipleship journey that is open to all. Starting with Ex 15:26, Jehovah Rapha, this workshop will help you learn how to bring change in the spiritual and relational landscapes we are all part of and offer practical steps to get started. We will also hear testimonies from those who have found healing they never dreamt possible. This workshop is for everyone - those that are new to Rapha and those that have been around awhile.

By the end of the workshop you will have had the opportunity to:

- Gain a solid understanding about what Rapha is and why we are so different from other discipleship and therapeutic models
- Hear lots of testimonies so you can see the evidence of the journey
- Leave with a greater understanding of the reality of the spiritual world.
- Learn practical steps and tools about where and how to start this type of journey
- Understand the significance of doing this journey within a community

This workshop will be taught by **Dr Peter Holmes** and **Dr Susan Williams**, sharing from their own personal experience and from many others they have taught and supported. It will include practical steps for you to follow during and after the workshop to help you become more of who you were created to be.

Peter and Susan are experienced speakers, pastoral counsellors and authors from UK, where the Rapha Journey originated. The Rapha Journey is a step-by-step Biblical process of growing into greater wholeness and (when you are ready) a deeper relationship with God.

Although our workshops are taught from a Biblical perspective and can help deepen your relationship with God, we are pleased to welcome you if you are not attending a local church or are not even considering a relationship with God. The workshop will help you on your journey of personal growth.
